

What I wish I knew...

You will need a good umbrella, a coat for all weather and the right shoes to stand out in the rain

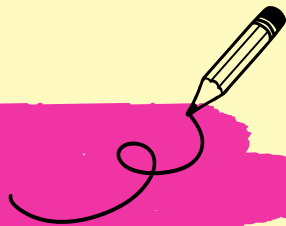

Have five days' worth of uniform, and teach your kids to lay it out the night before. No one needs a last-minute mid-week wash!

Regarding multiple uniform items, buy one or two new (for assembly/photo day) and get the rest from your PTA sale

Have a stash of £1 coins

Label everything!

If you feel you are missing out, as can't do school drop off/pick up, join the PTFA to make friends
