- a) Quality first teaching will be delivered in all areas of the curriculum. Staff are expected to be aware of the needs of all pupils in their classes, and scaffold work accordingly through adaptive teaching, to meet these needs. *QFT means that some pupils with needs may not require 'additional to and different from' provision.* This will be monitored via regular lesson reviews, learning walks and pupil work reviews by the SENDCo, Academy Leadership Team and Directors of Learning.

Staff will use this system to inform their planning to ensure they are addressing the needs of pupils. It will also be used to track, monitor and review pupils on intervention programmes and provide governors and, where appropriate, provide parents/carers with a clear report in terms of cost, hours and interventions provided.

**13) How Leigh Academy Horsmonden involves other bodies, including health and social care bodies, local authority support services and voluntary sector organisations, in meeting student's SEND and supporting their families:**

According to the Code of Practice 2014, the following must be adhered to:

*Children and young people with SEND may need integrated support from education, health and/or social care to help them achieve their ambitions. Working together, these agencies can achieve far more for these children and young people than they can separately, more efficiently and often at a reduced cost. The local offer must set out the range of services available locally to children with SEND and the support that children, young people and families may access outside the local area.*

The Academy Board and Leigh Academy Horsmonden will liaise and consult with the agencies mentioned above to create an effective local and academy offer that jointly commissions all agencies. It will then adhere to the local and academy offer to ensure that parents/carers and pupils receive a cohesive, supportive and transparent service. It currently is able to provide services through the Local Authority, Health Authorities and Leigh Academies Trust through the specified referral routes.

The local offer can be found [here](#):

**14) Arrangements for handling complaints from parents of children with SEND about the provision made at the Academy:**
